

Posty Cards®

PERSONALIZED BUSINESS GREETING CARDS DESIGNED TO HELP BUILD CLIENT RELATIONSHIPS

For over 60 years, our products have helped professionals cultivate strong bonds with their clients and employees. Greeting cards and calendars are a cost effective, business building tool with proven results. While junk mail often gets overlooked, personal correspondence stands out in a pile of mail. Flyers, brochures and catalogs get set aside, but birthday cards, holiday greetings and thank you notes are opened, read and remembered.

POSTY CARDS IS COMMITTED TO SUSTAINABILITY

All our products are recyclable, printed with soy ink, manufactured with 100% renewable energy and packaged using biodegradable materials. Many designs are also printed on recycled or FSC certified paper and that is noted in our catalog and website. In addition, we offer the Sustainable Sentiments® line of cards that feature environmentally inspired designs.
